Call to Vocations

We hear today that Jesus healed a leper. Lepers in those days not only suffered great physical pain, but were exiled by the community. Jesus' action pierced through many walls of division. How is Jesus calling you to help bring reconciliation to places of division? **If God is calling you to a Church vocation, call Fr. Andrew Lauricella at 716-847-5535. You can also check out the "Priest of the Month" stories on our website <https://www.buffalodiocese.org/>**

Shrove Tuesday & Ash Wednesday

Ash Wednesday signals the beginning of the season of Lent. Lent is a time to prepare for Easter. There are forty days in Lent, not counting Sundays. If you look at our Church Calendar, you can count these days.

The day before Ash Wednesday is called Shrove Tuesday ("shrove" comes from a word that means to have our sins forgiven), or Mardi Gras (which means "Fat Tuesday" in the French language), or Pancake Day. It is called Pancake Day, because people usually eat pancakes on this day. They eat these delicious pancakes, which might be covered in butter and syrup, on Shrove Tuesday because pancakes are made with eggs and milk and oil. A long time ago people didn't eat any eggs, milk or oil at all during the season of Lent! So the day before Ash Wednesday they used up all of their eggs and milk and oil by making pancakes!

What are paczki?

Paczki, pronounced "Punch-key" or "Poonch-key," are sugar-coated, glazed or iced pastries that are filled to the point of bursting with fruit or creme filling. But don't be fooled—they're not jelly donuts or Bismarks. Paczki are made with richer dough, and are larger and round in shape like a baseball.

Paczki Day falls on Fat Tuesday, the day before Lent. It began long ago in Polish households as a way to use up shortening, eggs and preserves before the 40 days of Lent began. Today, the Paczki tradition continues as a last-minute indulgence before the Lenten fast begins. Whatever the reason, try some delicious Paczki today and create your own family tradition.
